Emergency Maintenance Guidelines

For Immediate Life-Threatening Emergencies

Please Call 911 First

The following are considered maintenance emergencies. If you are experiencing a maintenance emergency, please call our emergency maintenance line:

- Broken Water lines or Frozen Pipes
- Flooding
- Any Flames or Fire
- Broken Door or Lock You Cannot Secure
- Gas Leak or Broken Gas Line
- Sewer Back-up and Flood
- No Heat in Winter
- Person Stuck in Elevator
- Electrical Issues
- Active Water Emergencies
- Leaking Roof
- Carbon Monoxide Detector
- Extended Power Outage-Call PUC first

Please inform the HRA anytime you call "911".

HRA's Emergency Afterhours Line: 218-969-3777- Call or Text

HRA Office: 218-263-3661

Power & Gas Company Emergency Line (PUC): 218-262-7720

For all NON-EMERGENCY maintenance issues, please submit a maintenance request verbally or in writing.
